INSTRUMENTATION

ACS	MIDLAND	BS&B	PARKER LUCIFER	SOLDO	KUEBLER	WIKA	WIKA	WIKA
Hydraulic solenoid valves and manifold controls. IECEx and SIL3	Pneumatic components, solenoid valves, AFR, special valves. IECEx and SIL3	Rupture disks and buckling pin valves.	Pneumatic solenoid valves. IECEx and SIL3	Limit switch boxes, all types, 316SS, plastics, ATEX.	Float switches/level sensors for level measurement.	Pressure Measurement Instruments; gauges, transmitters, sensors and switches	Temperature Instruments; digital indicators, dials, transmitters, switches and controllers	Flow Measurement; switches, sensors, ultrasonic & electromagnetic flow meters

FILTRATION & SEPARATION

BOLLFILTER	DOUGLAS CHERO	HYDROVAC™ OIL PURIFIER	WÄGENE™ PURIFIER	DIESEL CLEANING SKID	ELLINGSEN AIR SAFE	COMPACT CONTROL PANELS	BIFFI	KFE ELLINGSEN	PRISMA	REXA	SCHISCHEK
Filtration solutions for water, gases and liquids.	Conical, Y-, T-, simplex, and duplex bucket strainers.	Separates water and gas from mineral- and synthetic oil.	Separates water from mineral- and syntetic oil, and diesel.	Tailor-made solutions. Ensures fuel purity and system reliability.	Portable air tools enabler on trolley. Safety shut-off. Ex zone.	Hydraulic and pneumatic control panels.	Actuators for process valves, pneumatic, hydraulic, electric.	Pneumatic actuator. Air fail safe.	Small, medium sized pneumatic actuators. 316SS, aluminium, polyamide.	Electraulic actuator for severe process control.	Electric actuators. Spring return. Ideal for instrument valves AISI316, ATEX.

VALVES

BAC VALVES	BAC VALVES	CURTISS-WRIGHT/ DYNA-FLO	TOTAL VALVE CONTROL	TOTAL VALVE CONTROL	DOUGLAS CHERO	HIT VALVES	ENERGY VALVES	ENERGY VALVES	FARRIS	RED POINT	XUROX
High Performance Butterfly valves.	Ball valves.	Globe Control valves.	Non Contact Ball valves.	Rising Stem Ball valves.	Premium Forged Gate, Globe, and check valves.	Control Ball valves.	Ball valves, Plug valves, DBB valves & Monoflange valves.	Plug valves for severe service. Single and twin plug.	Flanged/threaded Relief valves. Conventional, pilot, change over valves.	Fast Track Manufacturer of Ball, Globe, Gate, Check, DBB and Cryogenic valve.	Lined Butterfly valves, wafer/lug and flanged types.

WORKSHOP & SERVICE

VALVE AUTOMATION CENTER: Complete assembly and testing of valves, actuators and control systems.

SPECIALIST SERVICE: Tube bundle installation, HP-tubing (cone and thread) installation and repair.

WORKSHOP: Workshop and warehouse at Skui and Bergen.

SERVICE ENGINEERS: Field service both onshore and offshore, 15 service engineers.

FROSIO INSPECTOR: Certified inspector surface treatment, FROSIO, level 3.

TRAINING

THEORY AND PRACTICE OF ACTUATING VALVES:

Electric actuated valves. Pneumatic actuated valves. Hydraulic actuated valves.

SEMINARS UPON REQUEST: Presentation of one or more topics of our expertise at your location.
